### **NEW! - Chez La Tour**

**We're pleased to announce our latest offering, Chez La Tour in the 7th arrondissement.**

For over 6 months, I have scoured the Parisian real estate market for the perfect apartment in the 7th. Now I am pleased to announce the results of that search, Chez La Tour. This is a HUGE 1 bedroom apartment just a few minutes stroll from the Eiffel Tower and rue Cler. To find out more, check it out on our website at [www.parishomeshares.net](http://www.parishomeshares.net). Just click on the Available Properties link.

### **Paris - Here We Come!**

Our bags are packed, passports in hand, and plane reservations confirmed. Tomorrow, September 11th, Sue and I fly to New York to catch our flight to Paris! Fortunately, we are not superstitious about flying on such a sadly memorable date.

We are bringing (or should I say lugging) with us many of the items which we purchased here in the States for Jardin Saint Paul, our beautiful (to be) apartment in the Marais. We will be spending two weeks in Paris, overseeing the contractors, buying furniture, and setting up our bank accounts for the SCI.

It will be a lot of work, but also a lot of fun. maybe there will even be a little sunshine waiting for us.

I wanted to get this newsletter out to everyone before I leave, as I am not sure how much time I have once I am there to write. But I do hope to post some photos of the renovation progress at Jardin Saint Paul for everyone to see. It is going to be absolutely charming and beautiful! So check in at our [website](#) periodically to see the goings-on!

A bientôt - Steve
